BEGINNER JUMP START COURSE

**START: 4 JULY
END: 29 JULY**

**START: 1 AUGUST
END: 26 AUGUST**

We all know that first steps often prove to be most difficult. For many adults the prospect of starting learning a new language could be terrifying. Our Beginner Jump Start Course aims at providing our students with good foundations for future development of their skills as well as helping them discover the joy of learning a foreign language.

SELECTED ELEMENTS OF THE COURSE:

week 1: English pronunciation 101: how to pronounce English vowels, consonants and diphthongs

week 2: English vocabulary: how to learn words most efficiently - formulaic language: common expressions used in English

CRIME FICTION SUMMER BOOK CLUB

START: 6 JULY
END: 24 AUGUST

Who doesn't love a good story? There are few more enjoyable pastimes than reading a good crime novel, especially on a beach. What's more, reading books in original is an excellent way of developing language skills. Thrillers and suspense novels use a lot of action words and usually have lots of realistic dialogue, providing readers with a lot of linguistic input.

SELECTED ELEMENTS OF THE COURSE:

week 1: Book selection from three titles on the bases of book descriptions, reviews and sample reading; students will receive an e-book with the selected title after the first meeting.

weeks 2-8: Students read assigned parts of the book before participating in group meetings, during which they will be able to show off their investigative skills, and engage in lively discussions with other members of the club. Each session will include vocabulary learning activities, extract readings and lots of fun.

NATURAL ENGLISH GRAMMAR

START: 4 JULY
END: 26 AUGUST

This course is about grammar, but it is organised around words. Why? Very simply, words have grammar. When we use a word, we have to choose from the particular grammar patterns associated with that word. We'll cover a hundred of high-frequency words and their high-frequency patterns. We'll learn a lot of "chunks", a kind of short-cuts to the grammar of English.

While most grammar courses lean towards formal written language, Natural English Grammar focuses on oral communication. Grammar is not only about correctness, it is about sounding natural and having confidence that we can easily understand others and be understood. We hope our course will prove useful in reaching these goals.

SELECTED ELEMENTS OF THE COURSE:

week 1-8:

- grammar of 100 most common English words
- most common verb patterns, grammar of phrasal verbs, gerunds and infinitives, tenses
